QUESTIONS AND ANSWERS ABOUT THESE PROXY MATERIALS AND VOTING

The information provided in the “question and answer” format below is for your convenience only and is merely a summary of the information contained in this Proxy Statement. You should read this entire Proxy Statement carefully.

Q: What am I being asked to vote on?

A: There are two matters scheduled for a vote at the Annual Meeting, which are described in more detail below in this Proxy Statement:

- Proposal No. 1: Election of the six nominees for director named in this Proxy Statement for a one-year term expiring at the 2026 Annual Meeting (“Proposal No. 1”); and
- Proposal No. 2: Ratification of the appointment of PricewaterhouseCoopers LLP as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2025 (“Proposal No. 2”).

Q: How many votes are needed to approve each proposal?

A: For Proposal No. 1, the six nominees receiving the highest number of “FOR” votes from the holders of shares present or represented by proxy and entitled to vote on the election of directors will be elected for a one-year term expiring at the 2026 Annual Meeting. You may choose to vote or withhold your vote for one or more of such nominees. Withholding a vote from a director nominee will not be voted with respect to the director nominee indicated and will have no impact on the election of directors, although it will be counted for purposes of establishing a quorum. Broker non-votes will have no effect on the outcome of Proposal No. 1.

For Proposal No. 2, ratification of the appointment of PricewaterhouseCoopers LLP as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2025, the affirmative vote of the holders of a majority of the shares present by remote communication or represented by proxy and entitled to vote generally on the subject matter is required for approval. Abstentions will have the same effect as votes “Against” Proposal No. 2. There will be no broker non-votes with respect to Proposal No. 2.

Q: What are the recommendations of the Board?

A: Our Board unanimously recommends that you vote your shares as follows:

- “FOR ALL” the election of the six director nominees to our Board for a one-year term expiring at the 2026 Annual Meeting; and
- “FOR” the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2025.

Q: Who can attend the Annual Meeting, and how do I attend?

A: All stockholders are invited to attend the Annual Meeting.

The Annual Meeting is a virtual only meeting held through a live webcast at www.virtualshareholdermeeting.com/IVVD2025. You will not be able to attend the Annual Meeting in person.

You are entitled to attend and ask questions at the Annual Meeting if you were a stockholder as of the close of business on the Record Date (i.e., March 21, 2025). To be admitted to the Annual Meeting, you will need to visit www.virtualshareholdermeeting.com/IVVD2025 and enter the 16-digit Control Number found next to the label “Control Number” on your Notice, your proxy card, or in the email in which this Proxy Statement was sent to you. If you are a beneficial stockholder, you should contact the bank, broker or other institution where you hold your account well in advance of the Annual Meeting if you have questions about obtaining your Control Number or voting instruction form to vote.

Whether or not you attend the Annual Meeting, it is important that you submit your proxy so that your shares are voted at the Annual Meeting.

We encourage you to access the Annual Meeting before it begins. Online check-in will begin at 8:15 a.m. Eastern Time on May 20, 2025.

If you were not a stockholder as of the Record Date, or you do not log-in using your Control Number, you will be able to log-in as a guest by visiting www.virtualshareholdermeeting.com/IVVD2025 and registering as a guest. Please note that if you log-in as a guest, you will not be able to vote your shares or ask questions during the Annual Meeting.

Q: Who can vote at the Annual Meeting, and how many shares can they vote?

A: Only stockholders of record at the close of business on the Record Date will be entitled to vote at the Annual Meeting. At the close of business on the Record Date, there were 119,961,445 shares of common stock outstanding and entitled to vote.

Each stockholder entitled to vote at the Annual Meeting may cast one vote for each share of common stock owned by him, her or it that has voting power upon each matter considered at the Annual Meeting. Our stockholders do not have the right to cumulate their votes in the election of directors.

Q: How can I see who is entitled to vote at the Annual Meeting?

A: For a period of ten days ending on the day before the date of the Annual Meeting, a list of our record stockholders as of the close of business on the Record Date will be available for examination by any stockholder of record for any purpose germane to the Annual Meeting at our corporate headquarters during regular business hours. Please contact our Corporate Secretary at Invivyd, Inc., 1601 Trapelo Road, Suite 178, Waltham, Massachusetts 02451, Attn: Corporate Secretary, (781) 819-0080 to make arrangements to inspect the list.

Q: Where can I get technical assistance during the Annual Meeting?

A: The Annual Meeting platform is fully supported across browsers and devices running the most updated version of applicable software and plugins. Attendees should ensure they have a strong internet connection, allow plenty of time to log in, and can hear streaming audio prior to the start of the Annual Meeting.

If you have difficulty accessing the Annual Meeting or experience technical difficulties during the Annual Meeting, please call the toll-free number that will be available on our virtual stockholder login site (www.virtualshareholdermeeting.com/IVVD2025) for assistance. Technicians will be available to help you with any technical difficulties you may have beginning 15 minutes prior to the start of the Annual Meeting, and technicians will be available through the conclusion of the Annual Meeting. Additional information regarding matters addressing technical and logistical issues, including technical support during the Annual Meeting, will be available on the Annual Meeting website.

Q: Why is the Annual Meeting online, and will I still have the same participation rights as I would have at an in-person stockholder meeting?

A: By hosting the Annual Meeting online, we are able to communicate more effectively with our stockholders, enable increased attendance and participation from locations around the world, reduce costs and increase overall efficiency and safety for us and our stockholders. The virtual Annual Meeting has been designed to provide the same rights to participate as you would have at an in-person meeting.

In addition to voting online during the Annual Meeting or changing a vote you may have submitted previously by following the methods described in this Proxy Statement, stockholders who attend the Annual Meeting and log in using their Control Number will have an opportunity to submit questions online during a portion of the Annual Meeting. Instructions for submitting a question during the Annual Meeting will be provided on the Annual Meeting website. We will endeavor to answer as many submitted questions as time permits; however, we reserve the right to exclude questions regarding topics that are not pertinent to meeting matters or company business or are inappropriate. If we receive substantially similar questions, we will group such questions together and provide a single response to avoid repetition.

Q: What if another matter is properly brought before the Annual Meeting?

A: Our Board knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the Annual Meeting and at any adjournment or postponement thereof, it is the intention of the persons named in the accompanying proxy to vote on those matters in accordance with their best judgment to the extent authorized under Rule 14a-4 under the Securities Exchange Act of 1934, as amended (the "Exchange Act").

Q: How do I vote?

A: The procedures for voting are fairly simple:

Stockholder of Record: Shares Registered in Your Name

If on the Record Date your shares were registered directly in your name with our transfer agent, then you are a stockholder of record.

If you are a stockholder of record, your proxy is being solicited directly by us, and you may vote online at the Annual Meeting or vote by proxy. Whether or not you plan to attend the Annual Meeting, we urge you to vote by proxy through the internet, vote by proxy over the telephone, or vote by proxy using a proxy card that you may request or that we may elect to deliver at a later time to ensure your vote is counted. You may still attend the Annual Meeting and vote at the meeting even if you have already submitted your proxy.

- To vote **during** the Annual Meeting, if you are a stockholder of record as of the Record Date, follow the instructions at www.virtualshareholdermeeting.com/IVVD2025. You will need to enter the Control Number found on your Notice, your proxy card, or in the email sending you the Proxy Statement.
- To submit your proxy **prior** to the Annual Meeting (until 11:59 p.m. Eastern Time on May 19, 2025), you may vote via the internet at www.proxyvote.com, by telephone, or by completing and returning the proxy card, as described below.
 - To submit your proxy by mail, please request a paper copy of the materials, which will include a proxy card. Please promptly complete, sign and date the proxy card and return it promptly to ensure that it is received prior to the closing of the polls at the Annual Meeting.
 - If you sign your proxy card but do not indicate how you wish to vote, the proxies will vote your shares “FOR ALL” for the election of the six named director nominees and “FOR” the ratification of PricewaterhouseCoopers LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2025 and, if any other matter is properly presented at the Annual Meeting, your proxy (one of the individuals named on your proxy card) will vote your shares using his or her discretion.
 - Unsigned proxy cards will not be counted.
 - To submit your proxy over the telephone, dial toll-free 1-800-690-6903 using a touch-tone phone and follow the recorded instructions. You will be asked to provide the Control Number found on your Notice, your proxy card, or in the email sending you the Proxy Statement. Your telephone proxy must be received by 11:59 p.m., Eastern Time on May 19, 2025 to be counted.
 - To submit your proxy through the internet prior to the meeting, go to www.proxyvote.com and follow the instructions to submit your vote on an electronic proxy card. You will be asked to provide the Control Number found on your Notice, your proxy card, or in the email sending you the Proxy Statement. You may submit your proxy through the internet 24 hours a day. Your internet proxy must be received by 11:59 p.m. Eastern Time on May 19, 2025 to be counted.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If on the Record Date your shares were held indirectly (that is, you held your shares in “street name” in a brokerage account or by another nominee holder), then you are a beneficial owner.

If you are a beneficial owner, a Notice or voting instruction form has been provided to you by your broker, bank or other agent describing how to submit voting instructions for your shares.

- If you receive a voting instruction form, you can submit your voting instructions by completing and returning such voting instruction form. Please be sure to mark your voting choices on your voting instruction form before you return it. You may also be able to submit your voting instructions by telephone or through the internet or at the Annual Meeting, depending on your voting instructions (with a legal proxy from your broker, bank or other agent). Please refer to the instructions provided with your voting instruction form for information about submitting your voting instructions in these ways. See also “*If I am a beneficial owner of shares held in street name and I do not provide my broker or bank with voting instructions, what happens?*” below.

Internet proxy voting will be provided to allow you to vote your shares online, with procedures designed to ensure the authenticity and correctness of your proxy vote instructions. However, please be aware that you must bear any costs associated with your internet access, such as usage charges from internet access providers and telephone companies.

Q: What does it mean to vote by proxy?

A: A proxy is a person you appoint to vote on your behalf. Unless you vote live during the Annual Meeting, by voting using any of the other methods described in this Proxy Statement, you will be appointing as your proxies William Duke, Jr., our Chief Financial Officer, and Jill Andersen, our Chief Legal Officer and Corporate Secretary. They may act together or individually on your behalf, and will have the authority to appoint a substitute to act as proxy. Whether or not you expect to attend the Annual Meeting, we request that you please use the means available to you to vote by proxy so as to ensure that your shares of common stock may be voted.

Q: If I am a beneficial owner of shares held in street name and I do not provide my broker or bank with voting instructions, what happens?

A: If you are a beneficial owner of shares held in street name and your voting instruction form or Notice does not indicate that you may vote your shares directly (or you have not obtained a legal proxy from your broker, bank or other agent), you must provide your broker, bank or other agent with instructions on how to vote your shares for “non-routine” matters. Your brokerage firm is entitled to vote shares held for a beneficial holder on discretionary, or “routine,” matters, such as the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm, without instructions from the beneficial holder of those shares. On the other hand, a brokerage firm is not entitled to vote shares held for a beneficial holder on certain non-discretionary items, or “non-routine” matters, such as the election of directors. Consequently, if you do not submit any voting instructions to your brokerage firm, your brokerage firm may exercise its discretion to vote your shares only on the proposal to ratify the appointment of PricewaterhouseCoopers LLP. For non-discretionary matters, if you do not submit any voting instructions, your shares will (i) constitute “broker non-votes,” (ii) count for establishing the presence of a quorum, and (iii) have no effect on the election of directors.

Q: Can I change my vote or revoke my proxy?

A: Yes. You can revoke your proxy at any time before the final vote at the Annual Meeting.

If you are a stockholder of record, you may revoke your proxy by: (1) submitting a new proxy on the internet or by telephone or submitting another properly completed proxy card with a later date than your original card, but no later than (x) 11:59 p.m. on May 18, 2025 if you are submitting by mail and (y) 11:59 p.m. on May 19, 2025 if you are submitting by telephone or internet; or (2) attending and voting at the Annual Meeting (note that simply attending the Annual Meeting will not, by itself, revoke your proxy). We will count your vote in accordance with the last instructions we receive from you prior to the closing of the polls.

If you are a beneficial owner, you should follow the instructions provided by your broker, bank or other agent.

Q: How are votes counted?

A: Votes will be counted by the inspector of election appointed for the Annual Meeting, who will separately count, for Proposal No. 1, “For” and “Withhold” votes and broker non-votes for each nominee; and, for Proposal No. 2, “For” and “Against” votes and abstentions. Your vote will not be disclosed either within our Company or to third parties, except as necessary to meet applicable legal requirements, to allow for the tabulation of votes and certificate of the vote, and to facilitate a successful proxy solicitation.

Q: What is the quorum requirement, and what happens if a quorum is not present at the Annual Meeting?

A: A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if stockholders holding at least a majority of the outstanding shares entitled to vote are present at the meeting or represented by proxy. On the Record Date, there were 119,961,445 shares of common stock outstanding and entitled to vote. Thus, the holders of 59,980,723 shares must be present or represented by proxy at the Annual Meeting to have a quorum.

Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you attend the meeting (see “*Who can attend the Annual Meeting, and how do I attend?*” above for details). Abstentions and broker non-votes, if any, will be counted towards the quorum requirement. If there is no

quorum, the Annual Meeting will be adjourned by either the chairperson of the meeting or by the vote of a majority of the shares present by remote communication or represented by proxy, until a quorum is obtained. If an adjournment is for more than 30 days or a new record date is fixed for the adjourned meeting, we will provide notice of the adjourned meeting to each stockholder of record entitled to vote at the meeting.

Q: Where can I access the Annual Report?

A: A copy of our 2024 Annual Report, which consists of our Annual Report on Form 10-K for the year ended December 31, 2024, has been made available or mailed concurrently with this Proxy Statement, without charge, to our stockholders entitled to notice of and to vote at the Annual Meeting, provided that we have not included the exhibits to the Annual Report on Form 10-K. We will provide copies of the exhibits to the Form 10-K upon request by eligible stockholders, provided that we may impose a reasonable fee for providing such exhibits, which is limited to our reasonable expenses. Requests for copies of such exhibits should be mailed to our Corporate Secretary at Invivyd, Inc., 1601 Trapelo Road, Suite 178, Waltham, Massachusetts 02451, Attn: Corporate Secretary.

Q: Why did I receive a notice in the mail regarding the internet availability of proxy materials instead of a full set of proxy materials?

A: We have elected to provide access to our proxy materials on the internet. Accordingly, we are sending the Notice to our stockholders. All stockholders will have the ability to access the proxy materials on the website referred to in the Notice or request to receive a printed set of the proxy materials. Instructions on how to access the proxy materials on the internet or to request a printed copy may be found in the Notice. In addition, stockholders may request to receive proxy materials in printed form by mail or electronically by email on an ongoing basis. We encourage stockholders to take advantage of the availability of proxy materials on the internet to help us reduce the environmental impact of the Annual Meeting.

Q: What does it mean if I receive more than one Notice or set of proxy materials?

A: If you receive more than one Notice or set of proxy materials, your shares may be registered in more than one name or in different accounts. To ensure that all of your shares are voted, please submit each proxy card or voting instruction form you receive or, if you submit a proxy over the internet or by telephone, you will need to enter each of your Control Numbers.

Q: How will proxies be solicited and who is paying for the cost of the proxy solicitation?

A: We will pay for the entire cost of soliciting proxies, including the printing, handling and mailing of the Annual Meeting materials. In addition to these proxy materials, our directors and certain executive officers may, without additional remuneration, solicit proxies in person, by telephone, or by other means of communication. We may also reimburse brokerage firms, banks and other agents for their reasonable out-of-pocket expenses for forwarding proxy materials to our stockholders, if any.

Q: Who is the independent registered public accounting firm, and will it be represented at the Annual Meeting?

A: PricewaterhouseCoopers LLP served as our independent registered public accounting firm for the fiscal year ended December 31, 2024 and audited our financial statements for such fiscal year. We expect that one or more representatives of PricewaterhouseCoopers LLP will be present at the Annual Meeting. They will have an opportunity to make a statement, if they desire, and will be available to answer appropriate questions during a portion of the Annual Meeting. PricewaterhouseCoopers LLP has been appointed by the Audit Committee of our Board (the "Audit Committee") to serve as our independent registered public accounting firm for the fiscal year ending December 31, 2025.

Q: Why are we being asked to ratify the appointment of PricewaterhouseCoopers LLP?

A: Although stockholder approval of the Audit Committee's appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm is not required, we believe that it is advisable to give stockholders an opportunity to ratify this appointment. If this proposal is not approved at the Annual Meeting, the Audit Committee may reconsider its appointment of PricewaterhouseCoopers LLP, but will not be required to take any action.

Q: How can I find out the results of the voting at the Annual Meeting?

A: Preliminary voting results will be announced at the Annual Meeting. In addition, final voting results will be reported in a Current Report on Form 8-K, which we will file with the Securities and Exchange Commission (the “SEC”) on EDGAR at www.sec.gov within four business days of the Annual Meeting.

PROPOSAL NO. 1

ELECTION OF SIX DIRECTORS

Size of the Board

Our Board currently consists of seven directors, each serving a term that will expire at the 2025 Annual Meeting. Pursuant to our Amended and Restated Certificate of Incorporation, a majority vote of our Board can increase or decrease the number of directors constituting the entire Board. Effective as of the 2025 Annual Meeting, the size of our Board will be decreased from seven to six directors, pursuant to a resolution adopted by our Board, upon the recommendation of the Nominating and Corporate Governance Committee of the Board (the “Nominating and Corporate Governance Committee”).

Director Nominees

Our Board, upon the recommendation of the Nominating and Corporate Governance Committee, has nominated current directors Tamsin Berry, Marc Elia, Christine Lindenboom, Terrance McGuire, Kevin F. McLaughlin and Ajay Royan for re-election to our Board as directors, each to serve until the 2026 Annual Meeting and until such director’s successor is elected and qualified or until a director’s earlier death, resignation or removal.

Current director Srishti Gupta, M.D. is not standing for re-election at the 2025 Annual Meeting, but will continue to serve as a director until the expiration of her term at the 2025 Annual Meeting.

Detailed biographical information regarding each of the nominees is provided in this Proxy Statement below under the heading “Director Nominees.” Each of the nominees has been determined by our Board to be independent.

If a nominee is unable or unwilling to serve, the shares to be voted for such nominee that are represented by proxies will be voted for any substitute nominee designated by our Board. The Company did not receive any stockholder nominations for director. If a quorum is present at the Annual Meeting, the six nominees for director receiving the highest number of votes cast, by remote communication or by proxy, will be elected to serve as directors. Withheld votes and broker non-votes will have no effect on the election of directors. If not otherwise specified, proxies will be voted “**FOR ALL**” of the nominees for director named above.

THE BOARD RECOMMENDS

A VOTE “FOR ALL” THE ELECTION OF THE DIRECTOR NOMINEES NAMED ABOVE.

PROPOSAL NO. 2**RATIFICATION OF APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee has appointed PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2025 and has further directed that management submit the appointment of the independent registered public accounting firm for ratification by the stockholders at the Annual Meeting. PricewaterhouseCoopers LLP has audited the Company's financial statements since its inception in 2020. Representatives of PricewaterhouseCoopers LLP are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Neither the Company's Amended and Restated Bylaws (the "Bylaws") nor other governing documents or law require stockholder ratification of the appointment of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm. However, the Audit Committee is submitting the appointment of PricewaterhouseCoopers LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the appointment, the Audit Committee will reconsider whether or not to retain that firm. Even if the appointment is ratified, the Audit Committee in its discretion may direct the appointment of different independent auditors at any time during the year if the Audit Committee determines that such a change would be in the best interests of the Company and its stockholders.

The affirmative vote of the holders of a majority of the shares present or represented by proxy and entitled to vote on the matter at the Annual Meeting will be required to ratify the appointment of PricewaterhouseCoopers LLP.

Independence of the Board

As required under The Nasdaq Stock Market LLC (“Nasdaq”) listing standards, a majority of the members of a listed company’s board must qualify as “independent,” as affirmatively determined by the board. Our Board consults with the Company’s legal counsel to ensure that our Board’s determinations are consistent with relevant securities and other laws and regulations regarding the definition of “independent,” including those set forth in pertinent Nasdaq listing standards, as in effect from time to time.

Consistent with these considerations, after review of all relevant identified transactions and relationships between each director and nominee for director, or any of his or her family members, and the Company, its senior management and its registered independent public accounting firm, our Board has affirmatively determined that: (i) all of our current directors and nominees for director are independent within the meaning of Nasdaq Rule 5605(a)(2); (ii) current Audit Committee members, Tamsin Berry, Marc Elia and Kevin F. McLaughlin, meet the additional test for independence for audit committee members imposed by Rule 10A-3 under the Exchange Act and Nasdaq Rule 5605(c)(2)(A); and (iii) current Compensation Committee members, Srishti Gupta, M.D. and Christine Lindenboom, as well as anticipated Compensation Committee member following the 2025 Annual Meeting, Kevin F. McLaughlin, meet the additional test for independence for compensation committee members imposed by Nasdaq Rule 5605(d)(2). In making this determination, our Board considered the relationships that each director and nominee for director has with us and all other facts and circumstances that our Board deemed relevant in determining their independence, including the beneficial ownership of our common stock by each person and such person’s affiliated entities, and any agreements or arrangements between us and any of our directors and director nominees or their affiliated entities.

No Family Relationships

There are no family relationships between any of our executive officers, directors or director nominees.

Board Leadership Structure

The roles of our Board Chairperson and our principal executive officer are held by two different individuals, as we seek to maintain an appropriate balance between management and our Board. In accordance with our Corporate Governance Guidelines, our Board may select a chairperson of the Board in the manner and on the criteria that the Board deems appropriate. Our Board currently has an independent Board Chairperson, Marc Elia, who has the authority, among other things, to preside over meetings of the Board and meetings of the stockholders, to develop and approve an appropriate Board meeting schedule and meeting agendas, and to convene, moderate and develop the agendas for meetings of the independent members of our Board. Accordingly, our Board Chairperson has substantial ability to shape the work of our Board. The Company believes that separation of the positions of Board Chairperson and principal executive officer reinforces the independence of our Board in its oversight of the business and affairs of the Company. In addition, the Company believes that having an independent Board Chairperson creates an environment that is conducive to objective evaluation and oversight of management's performance, increasing management accountability and improving the ability of our Board to monitor whether management's actions are in the best interests of the Company and its stockholders. As a result, the Company believes that having an independent Board Chairperson can enhance the effectiveness of our Board as a whole.

Role of the Board in Risk Oversight

One of our Board's key functions is informed oversight of the Company's risk management process. Our Board does not have a standing risk management committee, but rather administers this oversight function directly through our Board as a whole, as well as through various Board standing committees that address risks inherent in their respective areas of oversight. In particular, our Board is responsible for monitoring and assessing strategic risk exposure, including a determination of the nature and level of risk appropriate for the Company and ways to address those risks.

Our Audit Committee has the responsibility to review and discuss with management and our independent registered public accounting firm, as appropriate, the Company's guidelines and policies with respect to financial risk management and financial risk assessment, including the Company's major financial risk exposures and the steps our management has taken to monitor and control these exposures. The Audit Committee also monitors compliance with legal and regulatory requirements, in addition to oversight of the performance of our internal audit function. Audit Committee responsibilities also include oversight of management risks relating to data privacy, technology and information security, including cyber security and back-up of information systems, and the steps the Company has taken to monitor and control such exposures. Furthermore, the Audit Committee also is responsible for overseeing and reviewing with management the Company's major legal compliance risk exposures and the steps management has taken to monitor or mitigate such exposures, including the Company's procedures and any related policies with respect to risk assessment and risk management. Our Nominating and Corporate Governance Committee reviews and assesses our corporate governance guidelines and Code of Business Ethics and Conduct. Our Compensation Committee of our Board (the "Compensation Committee") assesses and monitors whether any of our compensation policies and programs has the potential to encourage excessive risk-taking. Both our Board as a whole and the various standing committees receive periodic reports from management regarding material enterprise risks, as well as incidental reports as matters may arise.

Meetings of the Board and Annual Meeting Attendance

Our Board held nine meetings during 2024, and each director attended at least 75% of (i) the number of Board meetings held during the period for which he or she was a director and (ii) the total number of committee meetings held during the period for which he or she served on each such committee.

Five of the Company's then-serving directors attended the 2024 Annual Meeting of Stockholders (the "2024 Annual Meeting"). It is our policy to invite directors to attend the annual general meetings of stockholders.

Information Regarding Committees of the Board

Our Board has three standing committees: an Audit Committee, a Compensation Committee, and a Nominating and Corporate Governance Committee. Each committee has adopted a written committee charter, which are available on the Company's website at <https://investors.invivyd.com>.

Each of the committees has authority to engage legal counsel or other experts or consultants, at the expense of the Company, as it deems necessary or appropriate to carry out its responsibilities. Our Board has determined that each existing member of each committee, as well as each member of each committee anticipated to serve following the 2025 Annual Meeting, meets the applicable Nasdaq rules and regulations regarding “independence” and each member is free of any relationship that would impair his or her individual exercise of independent judgment with regard to the Company.

Audit Committee

The primary purpose of our Audit Committee is to oversee the Company's corporate accounting and financial reporting processes and the annual audit of its financial statements. For this purpose, the Audit Committee performs several functions. The principal duties and responsibilities of our Audit Committee include, among other things:

- evaluate the performance and assesses the independence and qualifications of the independent auditors;
- determine and approve the engagement of the independent auditors;
- determine whether to retain or terminate the existing independent auditors or to appoint and engage new independent auditors;
- review and approve the retention of the independent auditors to perform any proposed permissible non-audit services;
- monitor the rotation of partners of the independent auditors on the Company's audit engagement team as required by law;
- confer with management and the independent auditors regarding the effectiveness of internal control over financial reporting;
- review the Company's annual audited financial statements and quarterly financial statements with management and the independent auditors, including a review of the Company's disclosures under "Management's Discussion and Analysis of Financial Condition and Results of Operations," and to recommend whether such financial statements should be included in our Annual Report on Form 10-K and our Quarterly Reports on 10-Q, as applicable;
- review and discuss with management and the independent auditors the Company's guidelines and policies with respect to financial risk management and financial risk assessment and the Company's risks relating to data privacy, technology and information security, including cyber security and back-up of information systems, and the steps the Company has taken to monitor and control such exposures;
- establish procedures, as required under applicable law, for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters and the confidential and anonymous submission by employees of concerns regarding questionable accounting or auditing matters; and
- review and approve or disapprove all related persons transactions on an ongoing basis.

Our Board has determined that Mr. McLaughlin qualifies as an "audit committee financial expert," as defined in applicable SEC rules. Our Board made a qualitative assessment of the level of knowledge and experience of Mr. McLaughlin based on a number of factors. In its assessment of Mr. McLaughlin, the Board considered his formal education and his experience as chief financial officer and member of the audit committee of the boards of directors of other public companies.

Report of the Audit Committee of the Board of Directors*

The Audit Committee has reviewed and discussed the audited financial statements for the fiscal year ended December 31, 2024 with management of the Company. The Audit Committee has discussed with the independent registered public accounting firm the matters required to be discussed by the applicable requirements of the Public Company Accounting Oversight Board (“PCAOB”) and the Securities and Exchange Commission. The Audit Committee has also received the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the PCAOB regarding the independent accountants’ communications with the Audit Committee concerning independence, and has discussed with the independent registered public accounting firm the accounting firm’s independence. Based on the foregoing, the Audit Committee has recommended to the Board of Directors that the Company’s audited financial statements be included in the Company’s Annual Report on Form 10-K for the fiscal year ended December 31, 2024.

Compensation Committee

The primary purpose of our Compensation Committee is to act on behalf of our Board to oversee the Company’s compensation policies, plans and programs, to review and determine (or recommend to our Board for approval) the compensation to be paid to the Company’s executive officers and directors, and to assist our Board in its oversight of the Company’s strategies relating to culture and human capital leadership, including:

- review and approval (or review and recommendation to our Board for approval) of performance objectives relevant to the compensation of the Company’s executive officers and evaluation of performance in light of these stated objectives;
- review and approval (or review and recommendation to our Board for approval) of the compensation and other terms of employment or service, including severance and change-in-control arrangements, of the Company’s executive officers;
- administration of the Company’s equity compensation plans and any other similar plans and programs that the Compensation Committee may evaluate and approve from time to time; and
- review and recommendation to our Board of the type and amount of compensation to be paid or awarded to non-employee directors.

Compensation Committee Processes and Procedures

Typically, the Compensation Committee meets quarterly and with greater frequency if necessary. The agenda for each meeting is developed through collaboration of the Chairperson of the Compensation Committee, the Chief Executive Officer (if appointed), the Chief Human Resources Officer, and the compensation consultant engaged by the Compensation Committee, if any. The Compensation Committee meets regularly in executive session. However, from time to time, various members of management and other employees as well as outside advisors or consultants may be invited by the Compensation Committee to make presentations, to provide financial or other background information or advice or to otherwise participate in Compensation Committee meetings. The Chief Executive Officer (if appointed) does not participate in, and may not be present during, any deliberations or determinations of the Compensation Committee regarding his compensation or individual performance objectives. The charter of the Compensation Committee grants the Compensation Committee full access to all books, records, facilities and personnel of the Company as deemed necessary or appropriate by any member of the Compensation Committee to discharge his or her responsibilities as a member of the Compensation Committee. In addition, under its charter, the Compensation Committee has the authority to obtain, at the expense of the Company, advice and assistance from compensation consultants and internal and external legal, accounting or other advisors and consultants that the Compensation Committee considers necessary or appropriate in the performance of its duties. The Compensation Committee has direct responsibility for the oversight of the work of any consultants or advisers engaged for the purpose of advising the Compensation Committee. In particular, the Compensation Committee has the sole authority to retain, in its sole discretion, compensation consultants to assist in its evaluation of executive and director compensation, including the authority to approve the consultant’s reasonable fees and

other retention terms. Under its charter, the Compensation Committee may select, or receive advice from, a compensation consultant, legal counsel or other adviser to the Compensation Committee, other than in-house legal counsel and certain other types of advisers, only after taking into consideration the six factors prescribed by the SEC and Nasdaq that bear upon the adviser's independence; however, there is no requirement that any adviser be independent.

The Compensation Committee has engaged Alpine Rewards, LLC ("Alpine Rewards") as its independent compensation consultant since October 2022. Most recently, in June 2024, after taking into consideration the six factors prescribed by the SEC and Nasdaq referenced above, as well as the proposed scope, terms and fees of Alpine Rewards, the Compensation Committee determined that it was advisable and in the best interests of the Compensation Committee to continue to engage Alpine Rewards as a compensation consultant to the Compensation Committee given its focus in the life sciences sector and its comprehensive expertise in executive compensation and employee rewards. In its role as independent compensation consultant, Alpine Rewards has been engaged to evaluate the efficacy of the Company's existing compensation strategy and practices in supporting and reinforcing the Company's near-term and long-term strategic goals, and to assist in refining the Company's compensation strategy and philosophy to enable an executive compensation program that directly supports that strategy. As part of the engagement, the Compensation Committee requested that Alpine Rewards meet with select members of management to learn more about the Company's business strategy and the role of compensation in achieving those objectives; evaluate the Company's executive compensation peer group and perform analyses of competitive performance and compensation levels for that group; evaluate the Company's existing executive compensation program and its competitiveness based on the Compensation Committee approved peer group; review the Company's overall equity policies and practices and make recommendations based on market practices data and the Company's compensation strategy and philosophy; and review and make recommendations regarding Board compensation practices. Alpine Rewards ultimately developed recommendations that were presented to the Compensation Committee for its consideration. Compensation decisions or recommendations to the Board, as appropriate, were made by the Compensation Committee following an active dialogue with Alpine Rewards, taking into consideration Alpine Rewards' recommendations.

At the recommendation of the Compensation Committee, our Board has delegated authority under the Company's 2021 Equity Incentive Plan to our principal executive officer to grant options to employees who are not executive officers, subject to limitations approved by the Board. The purpose of this delegation of authority is to enhance the flexibility of option administration within the Company and to facilitate the timely grant of options to non-management employees, particularly new employees, within specified limits recommended by the Compensation Committee and approved by our Board. In particular, the principal executive officer may not grant options to acquire more than an aggregate fixed number of shares per year, and individually in accordance with minimum and maximum limits for each employee's classification set forth in the Company's non-executive employee equity grant guidelines, which were recommended by the Compensation Committee and approved by our Board. During fiscal year 2024, options to purchase an aggregate of 5,216,000 shares were granted to non-executive officer employees pursuant to the delegation of authority.

Generally, the Compensation Committee makes most of the significant adjustments to annual compensation, determines bonus and equity awards and establishes new performance objectives at one or more meetings held during the first quarter of the new year or the last quarter of the preceding year. However, the Compensation Committee also considers matters related to individual compensation, such as compensation for new executive hires, as well as high-level strategic issues, such as the efficacy of the Company's compensation strategy, potential modifications to that strategy and new trends, plans or approaches to compensation, at various meetings throughout the year. Generally, the Compensation Committee determines, or recommends to the Board, compensation levels and establishes, or recommends that the Board establish, performance objectives for the current year. For executives other than the Chief Executive Officer (if appointed), the Compensation Committee solicits and considers evaluations and recommendations submitted to the Compensation Committee by the Chief Executive Officer (if appointed) and then the Compensation Committee determines, or recommends to our Board, any adjustments to compensation as well as equity awards to be granted. In the case of the Chief Executive Officer (if appointed), the evaluation of performance is conducted by the Compensation Committee, which determines, or recommends to our Board, any adjustments to compensation as well as equity awards to be granted. For all executives and directors as part of its deliberations, the Compensation Committee may review and consider, as appropriate, materials such as financial reports and projections, operational data, tax and accounting information, tally sheets that set forth the total compensation that may become payable to executives in various hypothetical scenarios, executive and director stock ownership information, company stock performance data, analyses of historical executive compensation levels and current Company-wide compensation levels and recommendations of the Compensation Committee's compensation consultant, including analyses of executive and director compensation paid at other companies identified by the consultant.

Nominating and Corporate Governance Committee

The primary purpose of our Nominating and Corporate Governance Committee is to oversee aspects of the Company's corporate governance functions on behalf of our Board, identify, review and evaluate candidates to serve as directors of the Company (consistent with criteria approved by our Board), review and evaluate incumbent directors, recommend to our Board for selection candidates for election to our Board, make recommendations to our Board regarding the membership of the committees of our Board, assess the performance of our Board and consider our Board's leadership structure, facilitate communication among director candidates, Company management, and our Board, develop a set of corporate governance guidelines and principles for the Company, and oversee the Company's environmental, social and governance activities.

Consistent with the criteria for director qualifications set by our Board, the Nominating and Corporate Governance Committee believes that candidates for director should have certain minimum qualifications, including the ability to read and understand basic financial statements, being over 21 years of age and having the highest personal integrity and ethics. The Nominating and Corporate Governance Committee also considers such factors as possessing relevant expertise upon which to be able to offer advice and guidance to management, having sufficient time to devote to the affairs of the Company, demonstrated excellence in his or her field, having the ability to exercise sound business judgment and having the commitment to rigorously represent the long-term interests of the Company's stockholders. However, the Nominating and Corporate Governance Committee retains the right to modify these qualifications from time to time. Candidates for director nominees are reviewed in the context of the current composition of our Board, the operating requirements of the Company and the long-term interests of stockholders. The Nominating and Corporate Governance Committee considers diversity of perspectives, backgrounds, experiences and other factors as it deems appropriate, given the current needs of our Board and the Company, to maintain a balance of knowledge, experience and capability on the Board. As presently constituted, our Board represents a deliberate mix of members who have a deep understanding of the Company's business, as well as members who have different skill sets and points of view on substantive matters pertaining to our business.

The Nominating and Corporate Governance Committee appreciates the value of thoughtful Board refreshment, and regularly identifies and considers qualities, skills and other director attributes that would enhance the composition of our Board. In the case of incumbent directors whose terms of office are set to expire, the Nominating and Corporate Governance Committee reviews these directors' overall service to the Company during their terms, including the number of meetings attended, level of participation, quality of performance and any other relationships and transactions that might impair the directors' independence. The Nominating and Corporate Governance Committee also takes into account the results of our Board's self-evaluation, which is conducted annually. In the case of new director candidates, the Nominating and Corporate Governance Committee also determines whether the nominee is independent, which determination is based upon applicable Nasdaq listing standards, applicable SEC rules and regulations and the advice of counsel, if necessary. The Nominating and Corporate Governance Committee then uses its network of contacts to compile a list of potential candidates, but may also engage, if it deems appropriate, a professional search firm. The Nominating and Corporate Governance Committee conducts any appropriate and necessary inquiries into the backgrounds and qualifications of possible candidates after considering the function and needs of our Board. The Nominating and Corporate Governance Committee meets to discuss and consider the candidates' qualifications and then selects any nominees for recommendation to our Board by majority vote. One of our non-management directors initially recommended Ajay Royan as a potential candidate to serve on our Board.

The Nominating and Corporate Governance Committee will consider director candidates recommended by stockholders. The Nominating and Corporate Governance Committee does not intend to alter the manner in which it evaluates candidates, including the minimum criteria set forth above, based on whether or not the candidate was recommended by a stockholder. Stockholders who wish to recommend individuals for consideration by the Nominating and Corporate Governance Committee to become nominees for election to our Board may do so by delivering a written recommendation to the Nominating and Corporate Governance Committee at the following address: Invivyd, Inc., 1601 Trapelo Road, Suite 178, Waltham, Massachusetts 02451, Attn: Corporate Secretary, at least 90 days, but not less than 120 days, prior to the anniversary date of the mailing of the Company's proxy statement for the last annual meeting of stockholders. Submissions must include the full name of the proposed nominee, a description of the proposed nominee's business experience for at least the previous five years, complete biographical information, a description of the proposed nominee's qualifications as a director and the name and address of the stockholder on whose behalf the submission is made and the number and class of shares owned beneficially by such stockholder, in addition to the information specified in our Bylaws. Any such submission must be accompanied by the written consent of the proposed nominee to be named as a nominee and to serve as a director if elected.

Stockholder Communications with the Board

Our Board has adopted a formal process by which stockholders may communicate with our Board or any of its directors. Stockholders who wish to communicate with our Board may do so by sending written communications addressed to the

Corporate Secretary at the following address: Invivyd, Inc., 1601 Trapelo Road, Suite 178, Waltham, Massachusetts 02451. Each communication must set forth the name and address of the stockholder on whose behalf the communication is sent, and the number and class of shares of the Company that are owned beneficially by such stockholder as of the date of the communication. The Corporate Secretary will review each communication and will forward such communication to our Board or to any individual director to whom the communication is addressed unless the communication contains advertisements or solicitations or is unduly hostile, threatening or similarly inappropriate.

Our Insider Trading Prevention Policy and related procedures govern the purchase, sale and other dispositions of our securities by our employees, officers and directors, as well as our contractors and consultants who are advised that they are subject to such policy. We believe our Insider Trading Prevention Policy and related procedures are reasonably designed to promote compliance with insider trading laws, rules and regulations, and the listing standards applicable to us. Hedging Policy

Our Insider Trading Prevention Policy prohibits our directors and employees, including our executive officers, from engaging in any hedging or similar transactions designed to decrease the risks associated with holding our equity securities. Likewise, before adopting a trading plan under Rule 10b5-1 of the Exchange Act, our directors and employees, including our executive officers, may not have entered into a transaction or position that has yet to settle with respect to the securities subject to the trading plan and must also agree not to enter into any such transaction while the trading plan is in effect.

Clawback Policy

During 2023, our Board adopted an incentive compensation recovery policy as required by Rule 10D-1 under the Exchange Act and the corresponding Nasdaq listing standards. Under the policy, in the event of certain accounting restatements, we will be required to recover erroneously received incentive-based compensation from our current and former executive officers. In the event of such an accounting restatement, we will be required to recover the amount of incentive compensation received by a covered executive that exceeds the amount that otherwise would have been received if that incentive compensation had been determined based on the restated amounts, without regard to any taxes paid. A copy of this policy is filed as an exhibit to our Annual Report on Form 10-K for the year ended December 31, 2023.

Narrative To Summary Compensation Table

The Compensation Committee of our Board has historically determined, or made recommendations to our Board to determine, our executives’ compensation, including the compensation of our named executive officers. Our Compensation Committee typically reviews and discusses management’s proposed compensation with the Chief Executive Officer (if appointed) for all executives other than the Chief Executive Officer (if appointed). The Compensation Committee also reviews and discusses the recommendations of the Compensation Committee’s compensation consultant, including analyses of executive compensation paid at other companies identified by the consultant. Based on those discussions and its discretion, the Compensation Committee then approves, or recommends to our Board for approval, the compensation of each executive officer.

Annual Base Salary

The Compensation Committee of our Board reviews and approves, or recommends to our Board for approval, the annual base salaries of our named executive officers. Bonus Compensation

2024 Annual Performance Bonus Program

The Compensation Committee develops a performance-based bonus program annually. For 2024, the Compensation Committee determined that each named executive officer’s performance bonus should be based principally on contribution towards the achievement of corporate goals. Under the 2024 annual performance bonus program, each named executive officer was eligible to be considered for an annual performance bonus based on the percentage attainment of the 2024 corporate goals that were approved by the Board. The 2024 corporate goals were not weighted; accordingly, there was a degree of holistic and qualitative judgment in the Board’s final determination of the Company’s achievement against corporate goals in order to provide the Board with the flexibility to determine the importance of such goals based on a variety of factors, such as actual results, changing business conditions throughout the year and operating opportunities and challenges that were not reasonably foreseeable at the time the goals were established.

Each named executive officer had a target bonus opportunity calculated as a percentage of his or her annual base salary. For 2024, each named executive officer’s target bonus percentage was as follows: 60% for Mr. Hering, and 40% for Mr. Gowler, Mr. Duke, Ms. Green and Mr. Lee.

In January 2025, the Board, after receiving input from the Compensation Committee, determined that the percentage attainment of the 2024 corporate goals was 75%, and approved individual 2024 performance bonus payouts for each of Mr. Duke, Ms. Green and Mr. Lee in the amounts of \$144,000, \$132,000 and \$126,000, respectively, which amounts are included in the column of the “Summary Compensation Table” above entitled “Bonus.” Mr. Hering and Mr. Gowler did not earn an annual performance bonus for 2024 given their departures in May 2024 and June 2024, respectively.

Non-Equity Incentive Plan Compensation

2023 Annual Performance Bonus Program

In March 2023, the Board, upon recommendation by the Compensation Committee, pre-determined that the percentage attainment of the 2023 corporate goals would be 200% in the event that the Company achieved a specific 2023 corporate goal approved by the Board (designated as the “Specified Milestone”); in the event that the Company did not achieve the Specified Milestone, the Board retained the authority to determine the percentage attainment of the 2023 corporate goals based on its assessment of overall performance against all of the 2023 corporate goals.

In January 2024, the Board, upon recommendation by the Compensation Committee, determined that the Company achieved the Specified Milestone and, therefore, the percentage attainment of the 2023 corporate goals was 200%. Accordingly, the Board, upon recommendation by the Compensation Committee, approved an individual 2023 performance bonus payout for Mr. Hering in the amount of \$720,000, which amount is included in the column of the “Summary Compensation Table” above entitled “Non-Equity Incentive Plan Compensation.”

2023 Cash-Based Incentive Program

In April 2023, the Board, upon recommendation by the Compensation Committee, approved a cash-based incentive program designed to incentivize and retain employees of the Company, pursuant to which substantially all of the Company’s executive and non-executive employees would be awarded a cash payment equal to a percentage of each employee’s respective annual bonus

target in the event that the Company dosed the first participant in a pivotal clinical trial of VYD222 by September 30, 2023. In September 2023, following dosing of the first participant in the Company's CANOPY Phase 3 pivotal clinical trial of VYD222, Mr. Hering received \$180,000 under the cash-based incentive program, which amount is included in the column of the "Summary Compensation Table" above entitled "Non-Equity Incentive Plan Compensation."

Equity-Based Awards and Policies and Practices Related to the Grant of Certain Equity Awards

Our equity-based incentive awards granted to our named executive officers are designed to align the interests of our named executive officers with those of our stockholders.

We do not maintain any formal written policies on the timing of awards of stock options, stock appreciation rights, or similar instruments with option-like features in relation to the disclosure of material nonpublic information. Our employees, including our executive officers, are generally awarded an initial new hire stock option grant in connection with commencement of employment, and we have historically made annual equity grants to our employees, including our executive officers, during either the last month of the prior year or the first quarter of the new year, with grant dates for executive officers generally tied to the date of Board or Compensation Committee approval and grant dates for non-officer employees determined in accordance with the delegation of authority described above under "Compensation Committee Processes and Procedures." Additional equity grants may occur periodically to executive officers or other employees as incentive with respect to achieving certain corporate goals, reward for exceptional performance or compensation for additional job responsibilities. We do not have a practice to grant options in anticipation of the release of material non-public information, and we have not timed the disclosure of material non-public information for the purpose of affecting the value of executive compensation. During fiscal 2024, no named executive officer was granted any options during the period beginning four business days before, and ending one business day after, the filing of a periodic report on Form 10-Q or an annual report on Form 10-K, or the filing or furnishing of a current report on Form 8-K that disclosed material nonpublic information.

Vesting of equity awards is generally tied to each executive officer's continuous service with us and serves as an additional retention measure. Initial new hire stock option grants typically vest with respect to one fourth (1/4) of the shares subject to the option award on the first anniversary of the grant date, with the remainder vesting in equal monthly installments over thirty-six months, subject to continuous service through each vesting date. Annual stock option grants typically vest in equal monthly installments over a three-year period measured one month following the grant date, subject to continuous service through each vesting date. From time to time, the Board or the Compensation Committee may construct alternate vesting schedules as it determines are appropriate.

We have granted all equity awards pursuant to our 2021 Equity Incentive Plan since its adoption; equity awards granted prior to the adoption of the 2021 Equity Incentive Plan were made pursuant to our 2020 Equity Incentive Plan. The 2021 Equity Incentive Plan provides for the grant of incentive stock options, non-statutory stock options, stock appreciation rights, restricted stock awards, restricted stock units and other stock-based awards. The 2021 Equity Incentive Plan is administered by the Board or, at the discretion of the Board, by a committee of the Board. The Board may also delegate to one or more officers of the Company the power to grant awards to employees and certain officers of the Company. The exercise prices, vesting and other restrictions are determined at the discretion of the Board, its committee or any such officer if so delegated.

Retirement Benefits and Other Compensation

Our named executive officers did not participate in, or otherwise receive any benefits under, any pension, retirement or deferred compensation plan sponsored by us during 2024 other than our 401(k) plan described below. During 2024, our named executive officers were eligible to participate in our employee benefit plans, including health insurance and group life insurance benefits, on the same basis as our other employees. We maintain a safe harbor 401(k) plan that provides eligible employees with an opportunity to save for retirement on a tax advantaged basis. Eligible employees are able to defer eligible compensation up to certain limits of the Internal Revenue Code of 1986, as amended, which are updated annually. The 401(k) plan also provides that we will make non-elective contributions to each participant's account totaling to 3% of the participant's eligible compensation. We generally do not provide other prerequisites or personal benefits except in limited circumstances, and we did not provide any such prerequisites or personal benefits to our named executive officers in 2024.

Current Employment Agreements with William Duke, Jr., M.B.A., Julie Green, M.B.A. and Timothy Lee

We entered into an employment agreement with Mr. Duke in connection with the commencement of his employment with us as Chief Financial Officer, which was effective September 1, 2023.

We initially entered into an offer letter with Ms. Green in April 2022, pursuant to which she provided services to us as Senior Vice President of Human Resources. In connection with Ms. Green's appointment as our Chief Human Resources Officer, we entered into an employment agreement with her, effective January 24, 2024, which superseded the previous offer letter. We subsequently entered into an amendment to Ms. Green's employment agreement, effective October 23, 2024, in connection with Ms. Green's expanded leadership role within the Company, including service as our Head of Communications in addition to her role as Chief Human Resources Officer.

In addition, we entered into an employment agreement with Mr. Lee in connection with the commencement of his employment with us as Chief Commercial Officer, which was effective June 5, 2024.

Each employment agreement includes an initial annual base salary and annual target bonus. The employment agreements do not provide for an automatic increase in annual base salary; rather, the Board or the Compensation Committee reviews each executive's base salary on an annual basis and may adjust such base salary from time to time. The annual bonus is determined by the Compensation Committee (or by the Board upon recommendation of the Compensation Committee) based on the

achievement of performance goals and objectives for the calendar year. Each employment agreement provides for standard benefits, such as paid time off, reimbursement of business expenses, and participation in our employee benefit plans and programs. Each employment agreement states that any time-based equity issued on or after the closing of our initial public offering would not accelerate in full upon a change in control if such equity was assumed, continued or substituted by the successor entity.

Substantive differences are limited to (i) the definition of Good Reason, which, for Mr. Duke, is further triggered by (A) a material reduction in the authority, duties or responsibilities of the Chief Executive Officer to whom he is required to report, and (B) a Change of Control following which there is a material reduction in the budget over which Mr. Duke retains authority, (ii) the treatment of equity awards upon each executive's termination, and (iii) a one-time sign on bonus for Mr. Duke. Severance terms are detailed further below under "Potential Payments Upon Termination or Change in Control." We do not maintain any other offer letters or employment agreements with Mr. Duke, Ms. Green or Mr. Lee.

Prior Employment Agreements with David Hering, M.B.A. and Jeremy Gowler

In connection with Mr. Hering's appointment as our Chief Executive Officer in July 2022, we entered into a new employment agreement with him, which was subsequently amended in June 2023. Mr. Hering served as our Chief Executive Officer until April 11, 2024.

In connection with the commencement of Mr. Gowler's employment with us as Chief Operating Officer and Chief Commercial Officer, we entered into an employment agreement with him in September 2022, which was subsequently amended in April 2024. Mr. Gowler served as our Interim Chief Executive Officer until May 30, 2024.

Each of the employment agreements included an initial base salary and annual target bonus.

We entered into separation agreements with each of Mr. Hering and Mr. Gowler upon their respective departures. See "Potential Payments Upon Termination or Change in Control" below for the actual amounts paid to Mr. Hering and Mr. Gowler in connection with their departures from the Company.

Potential Payments Upon Termination or Change in Control

Mr. Duke, Ms. Green and Mr. Lee are, and Mr. Hering and Mr. Gowler were, entitled to certain severance and change in control benefits pursuant to the employment agreements described above and certain agreements governing their equity awards. In the event that an executive's employment ends upon death or a disability, they are (or were) entitled to accrued obligations and payment of their target bonus so long as their employment terminates after the completion of the calendar year but prior to the date of payment of the bonus (the "Earned Bonus").

Mr. Duke, Ms. Green and Mr. Lee

In the event that employment terminates, other than during the period commencing three months prior to or ending 12 months following a "change in control" (the "Change in Control Period") by us without "cause" or by Mr. Duke, Ms. Green or Mr. Lee for "good reason" (as defined in our equity plan and the respective employment agreement), and subject to the delivery to us of a separation agreement that includes a general release of claims, Mr. Duke, Ms. Green or Mr. Lee, as the case may be, is entitled to (i) cash severance equal to 9 months of his or her then-current base salary, as well as the Earned Bonus, if applicable, his or her target bonus for the year of termination, and 9 months continuation of benefits and (ii) delayed forfeiture of unvested time-based equity awards until three months after the date of termination.

In the event that Mr. Duke's, Ms. Green's or Mr. Lee's employment is terminated by us without "cause" or by Mr. Duke, Ms. Green or Mr. Lee for "good reason," in either case, during the Change in Control Period, and subject to the delivery to us of a separation agreement that includes a general release of claims, Mr. Duke, Ms. Green and Mr. Lee will each (i) receive cash severance equal to 12 months of their base salary, as well as the Earned Bonus, if any, their respective target bonus for the year of termination, and 12 months continuation of benefits and (ii) be entitled to immediate acceleration and full vesting of any time-based equity awards, exercisable or nonforfeitable as if employment continued until the later of the date of termination or the effective date of the separation agreement.

In addition, in the event that Mr. Duke, Ms. Green or Mr. Lee is terminated for any reason other than "cause," disability or death, the post-termination exercise period of any vested options held by them as of the date of their respective termination will be 12 months after termination.

Mr. Hering

On April 11, 2024, Mr. Hering ceased serving as an executive officer and as the Company's principal executive officer, effective immediately, with his employment terminating on May 11, 2024 (the "Hering Termination Date"). We entered into a separation agreement (as modified, the "Hering Separation Agreement") with Mr. Hering in connection with his departure and, upon Mr. Hering's agreement to a release of claims and compliance with certain other continuing obligations contained in the Hering Separation Agreement, we paid Mr. Hering (i) the amounts owed to him pursuant to his employment agreement, as amended, which included (A) cash severance equal to 12 months of his base salary and (B) 12 months continuation of benefits, plus (ii) a lump sum cash payment equal to \$374,400, representing Mr. Hering's annual target bonus for 2024 at 100% of target. In addition, Mr. Hering was entitled to a delayed forfeiture of unvested time-based equity awards until 180 days after the Hering Termination Date, or November 7, 2024. Further, the portion of Mr. Hering's outstanding equity awards that were outstanding as of the Hering Termination Date, as well as the portion of such equity awards that would have become vested during the 12-month period following the Hering Termination Date had Mr. Hering remained employed with the Company during such period, became vested as of the Hering Termination Date and remained exercisable until November 7, 2024.

Mr. Gowler

On May 30, 2024, Mr. Gowler ceased serving as an executive officer and as the Company's principal executive officer, effective immediately, with his employment terminating on June 29, 2024 (the "Gowler Separation Date"). We entered into a separation agreement (the "Gowler Separation Agreement") with Mr. Gowler in connection with his departure and, upon Mr. Gowler's agreement to a release of claims and compliance with certain other continuing obligations contained in the Gowler Separation Agreement, we paid Mr. Gowler the amounts owed to him pursuant to his employment agreement, as amended, which included (i) cash severance equal to 9 months of his base salary and (ii) 9 months continuation of benefits. In addition, Mr. Gowler was entitled to a delayed forfeiture of unvested time-based equity awards until 3 months after the Gowler Separation Date, or September 29, 2024. Further, the portion of Mr. Gowler's option awards that were vested as of the Gowler Separation Date remained outstanding for 90 days after the date of the Gowler Separation Date, or September 29, 2024, at which point all of his then-unvested options terminated and were forfeited.

Assumptions used in the calculation of these amounts are included in note 11 to our audited financial statements included in our Annual Report on Form 10-K for the year ended December 31, 2024. As required by SEC rules, the amounts shown exclude the impact of estimated forfeitures related to service-based vesting conditions. Narrative to Director Compensation Table

Our Board adopted a Non-Employee Director Compensation Policy that became effective in August 2021 in connection with the closing of our initial public offering. In March 2023, our Board approved amendments to the Non-Employee Director Compensation Policy with respect to the initial and annual option awards granted to our directors, as described below. Pursuant to this compensation policy, each of our directors who is not an employee or consultant of our company is eligible to receive compensation for service on our Board and committees of our Board.

Under our Non-Employee Director Compensation Policy, each eligible director receives an annual cash retainer in the amount of \$40,000 for serving on our Board. In addition, the Chairperson of our Board receives an annual cash retainer in the amount of \$30,000 (in addition to the annual cash retainer given to all eligible directors). The chairperson of the Audit Committee is entitled to receive an additional annual cash retainer in the amount of \$15,000, the chairperson of the Compensation Committee is entitled to receive an additional annual cash retainer in the amount of \$10,000 and the chairperson of the Nominating and Corporate Governance Committee is entitled to receive an additional annual cash retainer in the amount of \$8,000. The other members of the Audit Committee are entitled to receive an additional annual cash retainer in the amount of \$7,500, the other members of the Compensation Committee are entitled to receive an additional cash retainer in the amount of \$5,000 and the other members of the Nominating and Corporate Governance Committee are entitled to receive an additional annual cash retainer in the amount of \$4,000. All such annual retainers are payable in equal quarterly installments, payable in arrears on the last day of each fiscal quarter in which the service occurred. If an eligible director joins our Board or a committee of our Board at a time other than effective as of the first day of a fiscal quarter, the annual retainers described above are pro-rated based on days served in the applicable fiscal quarter, with the pro-rated amount paid on the last day of the first fiscal quarter in which such eligible director provides the service and regular full quarterly payments thereafter.

In addition, each new eligible director who joins our Board is entitled to receive a non-statutory stock option to purchase 100,000 shares of our common stock (prior to the March 2023 amendments noted above, the initial award was structured as an option to purchase shares of our common stock with an aggregate Black-Scholes grant date value of \$800,000, up to a maximum of 150,000 shares), with one-third of the shares vesting on the first anniversary of the grant date and 1/36th of the shares subject to the initial grant vesting in equal monthly installments thereafter, such that the option is fully vested on the third anniversary of the grant date, subject to continued service as a director through the vesting dates.

On the date of each annual meeting of our stockholders, each eligible director who continues to serve as a director of our Company following the meeting is entitled to receive a non-statutory stock option to purchase 50,000 shares of our common stock (prior to the March 2023 amendments noted above, the annual award was structured as an option to purchase shares of our common stock with an aggregate Black-Scholes grant date fair value of \$400,000, up to a maximum of 75,000 shares), with the shares vesting on the earlier of the first anniversary of the date of grant or the date of the next annual meeting of our stockholders, subject to continued service as a director through the applicable vesting date. If an eligible director joins our Board upon or after the date of the last preceding annual stockholders meeting, such eligible director's annual grant will be pro-rated based on days served since joining our Board.

The aggregate value of all compensation granted or paid, as applicable, to any individual for service as a non-employee director with respect to any calendar year will not exceed \$1,500,000 in total value, calculating the value of any equity awards based on the grant date fair value of such equity awards for financial reporting purposes.

Each option awarded to eligible directors under the Non-Employee Director Compensation Policy will be subject to accelerated vesting upon a change in control transaction. The exercise price per share of each stock option granted under the Non-Employee Director Compensation Policy will be equal to the closing price of our common stock on the Nasdaq Global Market on the date of grant. Each stock option will have a term of ten years from the date of grant, subject to earlier termination in connection with a termination of the eligible director's continuous service with us (provided that upon a termination of service other than for cause, the post-termination exercise period will be 12 months from the date of termination or death, if earlier).

In May 2024, the Board designated an executive committee of the Board, led by Marc Elia, the Chairperson of the Board, with Ms. Lindenboom and Ms. Cotter serving as members of such executive committee, to provide oversight and strategic guidance on the business and affairs of the Company. Each of the committee members was entitled to an additional cash retainer of \$5,000 per month, payable in accordance with the terms of the Non-Employee Director Compensation Policy. Mr. Elia waived his right to compensation as a member of the executive committee of the Board. In January 2025, the Board dissolved such executive committee.

TRANSACTIONS WITH RELATED PERSONS AND INDEMNIFICATION

Related Person Transactions Policy and Procedures

Our Board has a written Related Person Transactions Policy that sets forth our procedures for the identification, review, consideration and approval or ratification of related person transactions, which policy became effective in connection with our initial public offering in 2021. A related person is any executive officer, director, nominee to become a director, or beneficial owner of more than 5% of any class of our voting securities, including any immediate family members and any entity owned or controlled by such persons.

Under the policy, if a transaction has been identified as a related person transaction, including any transaction that was not a related person transaction when originally consummated or any transaction that was not initially identified as a related person transaction prior to consummation, our management must present information regarding the related person transaction to our Audit Committee, or, if Audit Committee approval would be inappropriate, to another independent body of our Board, for review, consideration and approval or ratification. The presentation must include a description of, among other things, the material facts, the interests, direct and indirect, of the related persons, the benefits to us of the transaction and whether the transaction is on terms that are comparable to the terms available to or from, as the case may be, an unrelated third party or to or from employees generally.

In considering related person transactions, our Audit Committee, or other independent body of our Board, will take into account the relevant available facts and circumstances, including:

- the risks, costs and benefits to us;
- the impact on a director's independence in the event that the related person is a director, immediate family member of a director or an entity with which a director is affiliated;
- the terms of the transaction;
- the availability of other sources for comparable services or products; and
- the terms available to or from, as the case may be, unrelated third parties or to or from employees generally.

The policy requires that, in determining whether to approve, ratify or reject a related person transaction, our Audit Committee, or other independent body of our Board, must consider, in light of known circumstances, whether the transaction is in, or is not inconsistent with, our best interests and those of our stockholders, as our Audit Committee, or other independent body of our Board, determines in the good faith exercise of its discretion.

Certain Related Person Transactions

The following includes a summary of transactions since January 1, 2023 to which we have been a party, in which the amount involved in the transaction exceeded the lesser of \$120,000 or one percent of the average of our total assets at year-end for the last two completed fiscal years, and in which any of our directors, executive officers or, to our knowledge, beneficial owners of more than 5% of our voting securities or an affiliate or immediate family member thereof, had or will have a direct or indirect material interest. Other than described below, there have not been, nor are there currently any proposed, transactions or series of similar transactions to which we have been or will be a party other than compensation arrangements, which include equity and other compensation, termination, change in control and other arrangements, which are described under "Executive Compensation" and "Director Compensation."

On November 15, 2022 (the "PHP Effective Date"), we entered into a Master Services Agreement with PHP, pursuant to which PHP agreed to provide services and create deliverables for us as agreed between us and PHP and set forth in one or more work orders under such agreement (the "PHP MSA"). The PHP MSA was terminated effective July 2024. On the PHP Effective Date, we and PHP entered into the first work order under the PHP MSA (the "PHP Work Order"), pursuant to which PHP agreed to

advise and counsel us regarding clinical development and regulatory matters with respect to our product candidates. The PHP Work Order was effective for six months from the PHP Effective Date and terminated in accordance with its terms in May 2023.

As compensation for the services and deliverables under the PHP Work Order, we paid PHP a cash fee of \$0.5 million per month during the term of the PHP Work Order for an aggregate fee of \$3.0 million (the “Aggregate Fee”).

From January 1, 2023 through December 31, 2024, we paid PHP the Aggregate Fee. As of December 31, 2024, no amounts were due to PHP by us.

Common Stock Warrant

In addition to the cash compensation described above, on the PHP Effective Date, we issued a warrant to purchase shares of our common stock to PHP (the “PHP Warrant”). The exercise price of the PHP Warrant is \$3.48 per share of our common stock, which was equal to the Nasdaq official closing price (as defined in the PHP Warrant) of a share of our common stock on the trading day immediately prior to the PHP Effective Date. The PHP Warrant is exercisable for up to an aggregate of 6,824,712 shares of common stock, and vests in three separate tranches as follows:

- 3,591,954 shares of common stock underlying the PHP Warrant vests if our market capitalization (as defined in the PHP Warrant) equals or exceeds \$758,517,511 by November 15, 2028;
- 1,795,977 shares of common stock underlying the PHP Warrant vests if our market capitalization equals or exceeds \$1,137,776,266 by November 15, 2029; and
- 1,436,781 shares of common stock underlying the PHP Warrant vests if our market capitalization equals or exceeds \$1,517,035,022 by November 15, 2030.

The PHP Warrant is exercisable for ten years from the PHP Effective Date with respect to the vested portion(s) of the PHP Warrant. The PHP Warrant may be exercised by cash exercise or, at the election of PHP, by means of “cashless exercise” pursuant to a formula set forth in the PHP Warrant. We also granted PHP certain “piggyback” registration rights requiring us to register any shares of our common stock underlying the PHP Warrant for resale with the SEC, subject to our existing obligations under the amended and restated investors’ rights agreement, which registration rights PHP exercised in January 2024 (see “*Investors’ Rights Agreement*” below).

Notwithstanding the foregoing, PHP may not exercise any portion of the PHP Warrant to the extent that, after giving effect to such issuance, PHP would beneficially own in excess of 4.99% of the number of shares of our common stock outstanding immediately after giving effect to the issuance of shares of common stock issuable upon exercise of the PHP Warrant (the “Beneficial Ownership Limitation”). PHP has the right to increase or decrease the Beneficial Ownership Limitation, provided that it in no event exceeds 19.99% of the number of shares of our common stock outstanding immediately after giving effect to the issuance of shares of common stock issuable upon exercise of the PHP Warrant, upon not less than 61 days’ prior notice to us.

Upon the consummation of a fundamental transaction of the Company (as defined in the PHP Warrant) on or prior to November 15, 2028, all of the shares underlying the PHP Warrant would become immediately vested and exercisable; upon the consummation of a fundamental transaction of the Company after November 15, 2028 but on or prior to November 15, 2029, the shares underlying the second and third tranches of the PHP Warrant would become immediately vested and exercisable; and upon the consummation of a fundamental transaction of the Company after November 15, 2029 but on or prior to November 15, 2030, the shares underlying the third tranche of the PHP Warrant would become immediately vested and exercisable.

Agreements with Adimab

Adimab is the beneficial owner of 18.1% of our common stock as of March 22, 2025. Terrance McGuire, who is deemed to be a beneficial owner of 5.8% of our common stock as of March 22, 2025, is a member of our Board and the board of directors of Adimab. Ajay Royan, who is deemed to be a beneficial owner of 9.4% of our common stock as of March 22, 2025, is a member of our Board and the board of directors of Adimab.

Assignment and License Agreement

In July 2020, we entered into an Assignment and License Agreement (the “Adimab Assignment Agreement”) with Adimab with respect to discovery and optimization of coronavirus-specific antibodies, including COVID-19 and SARS. Under the Adimab Assignment Agreement, Adimab assigned to us its rights, title and interest in and to certain of its coronavirus specific antibodies (each, a “CoV Antibody” and together, the “CoV Antibodies”), including modified or derivative forms thereof, and related

intellectual property. Adimab also granted us a non-exclusive, worldwide, royalty-bearing, sublicensable license to certain of its platform patents and technology for the development, manufacture and commercialization of the CoV Antibodies and pharmaceutical products containing or comprising one or more CoV Antibodies (each, a “Product”) for all indications and uses, with the exception of certain diagnostic uses and use as a research reagent.

In July 2020, in consideration for the rights assigned and license conveyed under the Adimab Assignment Agreement, we issued to Adimab 5,000,000 shares of our Series A preferred stock, then having a fair value of \$40.0 million. Concurrently, Adimab relinquished to us 21,250,000 shares of our common stock, then having a fair value of \$85,000.

Under the Adimab Assignment Agreement, we are obligated to pay Adimab quarterly for its services performed under the agreement at a specified full-time equivalent rate. Additionally, we are obligated to pay Adimab up to \$16.5 million upon the achievement of specified development and regulatory milestones for the first Product under the agreement that achieves such specified milestones and up to \$8.1 million upon the achievement of specified development and regulatory milestones for the second Product under the agreement that achieves such specified milestones. The maximum aggregate amount of milestone payments payable under the agreement for any and all Products is \$24.6 million. We are also obligated to pay Adimab royalties of a mid-single-digit percentage based on net sales of any Products, beginning upon the first commercial sale of a Product in accordance with the Adimab Assignment Agreement. The royalty rate is subject to reductions specified under the agreement. Royalties are due on a Product-by-Product and country-by-country basis beginning upon the first commercial sale of each Product and ending on the later of (i) 12 years after the first commercial sale of such Product in such country and (ii) the expiration of the last valid claim of a patent covering such Product in such country.

In March 2023, we achieved the first specified milestone for the second Product under the Adimab Assignment Agreement upon dosing of the first subject in a Phase 1 clinical trial evaluating VYD222, which obligated us to make a \$0.4 million milestone payment to Adimab, which was paid in May 2023. In September 2023, we achieved specified milestones for the second Product under the Adimab Assignment Agreement upon dosing of the first subject in a pivotal clinical trial evaluating VYD222, which obligated us to make a \$3.2 million milestone payment to Adimab, which was paid in October 2023. No milestone payments were triggered under the Adimab Assignment Agreement during the year ended December 31, 2024. While reserving all rights under the Adimab Assignment Agreement and the applicable law, through December 31, 2024, we made aggregate royalty payments of \$0.5 million to Adimab.

From January 1, 2023 through December 31, 2024, we paid Adimab \$4.1 million in connection with the Adimab Assignment Agreement. As of December 31, 2024, \$0.5 million was accrued under the Adimab Assignment Agreement.

Collaboration Agreement

In May 2021, we entered into a Collaboration Agreement with Adimab, as amended in November 2022 and September 2023 (the “Adimab Collaboration Agreement”) for the discovery and optimization of proprietary antibodies as potential therapeutic product candidates. Under the Adimab Collaboration Agreement, we could collaborate with Adimab on research programs for a specified number of targets selected by us within a specified time period. Under the Adimab Collaboration Agreement, Adimab granted us a worldwide, non-exclusive license to certain of Adimab’s platform patents and technology and antibody patents to perform our responsibilities during the ongoing research period and for a specified evaluation period thereafter (the “Evaluation Term”). We granted Adimab a license to certain of our patents and intellectual property solely to perform Adimab’s responsibilities under the research plans. Under the Adimab Collaboration Agreement, we have an exclusive option, on a program-by-program basis, to obtain licenses and assignments to commercialize selected products containing or comprising antibodies directed against the applicable target, which option may be exercised upon the payment of a specified option fee for each program. Upon our exercise of an option, Adimab will assign to us all right, title and interest in the antibodies of the optioned research program and will grant us a worldwide, royalty-free, fully paid-up, non-exclusive, sublicensable license under the Adimab platform technology for the development, manufacture and commercialization of the antibodies for which we have exercised our options and products containing or comprising those antibodies.

Under the Adimab Collaboration Agreement, we agreed to pay Adimab a quarterly fee of \$1.3 million, which could be cancelled at our option at any time. For so long as we were paying such quarterly fee (or earlier if (i) we experienced a change of control after the third anniversary of the Adimab Collaboration Agreement or (ii) Adimab owned less than a specified percentage of our equity), Adimab and its affiliates agreed not to assist or direct certain third parties to discover or optimize antibodies intended to bind to coronaviruses or influenza viruses. Under the Adimab Collaboration Agreement, we could also elect to decrease the scope of Adimab’s exclusivity obligations and obtain a corresponding decrease in the quarterly fee. In December 2023, we elected to decrease the scope of Adimab’s exclusivity obligations to cover only coronaviruses and obtained a corresponding decrease in the quarterly fee. Effective January 2024, we became obligated to pay Adimab a quarterly fee of \$0.6 million.

For each agreed upon research program that is commenced under the Adimab Collaboration Agreement, we are obligated to pay Adimab quarterly for its services performed during a given research program at a specified full-time equivalent rate, a discovery delivery fee of \$0.2 million, and an optimization completion fee of \$0.2 million. For each option exercised by us to commercialize a specific research program, we are obligated to pay Adimab an exercise fee of \$1.0 million.

We are obligated to pay Adimab up to \$18.0 million upon the achievement of specified development and regulatory milestones for each product under the Adimab Collaboration Agreement that achieves such milestones. We are also obligated to pay Adimab royalties of a mid-single-digit percentage based on net sales of any product under the Adimab Collaboration Agreement, subject to reductions for third-party licenses. The royalty term will expire for each product on a country-by-country basis upon the later of (i) 12 years after the first commercial sale of such product in such country and (ii) the expiration of the last valid claim of any patent claiming composition of matter or method of making or using any antibody identified or optimized under the Adimab Collaboration Agreement in such country.

In addition, we are obligated to pay Adimab for Adimab's performance of certain validation work with respect to certain antigens acquired from a third party. In consideration for this work, we are obligated to pay Adimab royalties of a low single-digit percentage based on net sales of products that contain such antigens for the same royalty term as antibody-based products, but we are not obligated to make any milestone payments for such antigen products.

From January 1, 2023 through December 31, 2024, we paid Adimab \$8.9 million in connection with the Adimab Collaboration Agreement. As of December 31, 2024, \$0.7 million was due to Adimab by us in connection with the Adimab Collaboration Agreement.

Adimab Platform Transfer Agreement

In September 2022 (the "Adimab Platform Transfer Agreement Effective Date"), we entered into a Platform Transfer Agreement with Adimab (the "Adimab Platform Transfer Agreement") under which we were granted the right under certain intellectual property of Adimab to practice certain elements of Adimab's platform technology, including B-cell cloning using Adimab's proprietary yeast cell lines and other antibody optimization libraries, trade secrets, protocols and software of Adimab, to discover, engineer and optimize antibodies. We do not have access to Adimab's proprietary discovery libraries. We were also granted the right under certain intellectual property of Adimab to research, develop, make, sell and exploit such antibodies and products containing such antibodies. The Adimab platform has been transferred to us in accordance with the terms of the Adimab Platform Transfer Agreement. In September 2022, we paid \$3.0 million to Adimab in connection with the upfront consideration payable for the rights assigned pursuant to the Adimab Platform Transfer Agreement.

We are obligated to pay Adimab an annual fee of single digit millions (the "Annual Fee") on each of the first four anniversaries of the Adimab Platform Transfer Agreement Effective Date, which allows us to receive material improvements to the platform technology, including materially improved antibody optimization libraries, updates that provide new functionality to the platform, and software upgrades, from Adimab through June 2027. The first annual fee became due in September 2023 and was paid in October 2023. Beginning in July 2027 and ending in June 2042, unless terminated earlier, we have the option to receive additional material improvements to the platform technology from Adimab, subject to a commercially reasonable fee to be negotiated by the parties.

We are also obligated to pay Adimab up to \$9.5 million upon the achievement of specified development and regulatory milestones for each product under the Adimab Platform Transfer Agreement that achieves such milestones.

In addition, we are obligated to pay Adimab royalties of a low single-digit percentage based on net sales of products containing an antibody discovered, engineered or optimized using Adimab's platform technology, subject to reductions specified under the Adimab Platform Transfer Agreement. Royalties are due on a product-by-product and country-by-country basis. The royalty term will expire for each product on a country-by-country basis upon the later of (i) 12 years after the first commercial sale of such product in such country and (ii) the expiration of the last valid claim of a program antibody patent for covering the program antibody contained in such product in such country.

From January 1, 2023 through December 31, 2024, we paid an aggregate of \$4.0 million to Adimab in connection with the Annual Fee on the first and second anniversary of the Adimab Platform Transfer Agreement Effective Date. As of December 31, 2024, no amounts were due to Adimab by us in connection with the Adimab Platform Transfer Agreement.

Adimab DNA Sequencing Services Agreement

In May 2023, as amended in January 2024 and January 2025, we entered into a Services Agreement with Adimab for Adimab to perform DNA sequencing on yeast samples provided by the Company, and the delivery of the resulting data and information to the Company (the “Adimab DNA Sequencing Services Agreement”). In exchange for the services performed, we will pay Adimab a fee for each yeast-derived DNA template sample present in the well within the sequencer plate.

From the effective date of the Adimab DNA Sequencing Services Agreement through December 31, 2024, we paid less than \$0.1 million to Adimab in connection with the Adimab DNA Sequencing Services Agreement. As of December 31, 2024, less than \$0.1 million was due to Adimab by us in connection with the Adimab DNA Sequencing Services Agreement.

Investors’ Rights Agreement

In April 2021, we entered into an amended and restated investors’ rights agreement (the “Investors’ Rights Agreement”) with the holders of our preferred stock prior to our initial public offering in August 2021. The registration rights granted under the Investors’ Rights Agreement continue with respect to each holder until the earlier of such holder being able to sell such holder’s shares without limitation during a three-month period pursuant to an exemption from the registration requirements of the Securities Act of 1933, as amended, and the fifth anniversary of the closing of our initial public offering. The registration rights provisions of the Investors’ Rights Agreement provide those holders with demand, piggyback and Form S-3 registration rights with respect to the shares of common stock currently held by them.

In January 2024, we received a demand request from the requisite holders under the Investors’ Rights Agreement to register on Form S-3 then registrable securities under the agreement. Upon such request, all holders of then registrable securities under the Investors’ Rights Agreement became entitled to participate in the registration subject to the terms of the Investors’ Rights Agreement. In February 2024, we filed a registration statement on Form S-3, which became effective in April 2024, to register an aggregate of up to 37,745,998 shares of our common stock held by holders with registration rights, including 30,921,286 issued and outstanding shares of our common stock held by holders of registrable securities under the Investors’ Rights Agreement and 6,824,712 shares of common stock issuable upon exercise of the PHP Warrant.

Indemnification

The Company provides indemnification for its directors, executive officers and key employees so that they will be free from undue concern about personal liability in connection with their service to the Company. Under the Company’s Bylaws, the Company is required to indemnify its directors, and is permitted to indemnify its executive officers, employees and other agents, to the extent not prohibited under Delaware or other applicable law. The Company has also entered into indemnification agreements with each of its directors and executive officers which require the Company to indemnify them against expenses, judgments, fines, settlements and other amounts that any such person becomes legally obligated to pay (including with respect to a derivative action) in connection with any proceeding, whether actual or threatened, to which such person may be made a party by reason of the fact that such person is or was a director or officer of the Company or any of its affiliates, provided such person acted in good faith and in a manner such person reasonably believed to be in, or not opposed to, the best interests of the Company. The indemnification agreements also set forth certain procedures that will apply in the event of a claim for indemnification thereunder.
